Work / Internships

RQM Tutorial

Nov. 2016 - Present

Instructor

I teach underprivileged students who don't have the proper resources to handle the Common Core curriculum.

Community Service

Narayangonj District Association of North America Inc.

2013 - Present

Volunteer

NDANA is an organization that focuses on building a community of Bengali-Americans here in the U.S. I helped to organize multiple community events in order to cultivate the Bengali community here in New York.

Harlem Grown

2014 - 2015

Volunteer

I was a volunteer at Harlem Grown, a community garden promoting the environment while helping the youth of Harlem and the needy. I volunteered as a gardener, maintaining the garden and the greenhouse with other volunteers.

Extracurriculars

Stuyvesant Computer Science Dojo

2015 - Present

Senpai (Teacher + Second in Command)

The CS Dojo is a student run program to help underclassmen in CS.

Stuyvesant Student Union

Web Developer

2016 - Present

I created websites for my school's Student Union, including sites for the Freshman Caucus and the Sophomore Caucus.
